Research Fellowship

The Research Fellowship of the Walter and Gertrud Siegenthaler Foundation is awarded to members of the Medical Faculty for a research stay of 1 to 2 years at another institution in Switzerland or abroad. The Research Fellowship is endowed with CHF 50'000 per year. In the case of a two-year fellowship, the research grant is paid in two tranches. The scholarship is awarded at the Dies academicus of the University of Zurich.

The requirements for the application for the Research Fellowship are:

- Application of young physicians of the Medical Faculty with a completed MD, MD-PhD or PhD of the doctoral program Clinical Science of the Medical Faculty of the University of Zurich
- Recognizable potential and/or documented track record in research
- Simultaneous clinical and scientific activities are desired
- The Research Fellowship should expand and deepen previous knowledge and have a lasting impact on further future scientific work
- A tutorship must be given. The tutor must be willing to assume responsibility for the candidate after the research fellowship with a view to long-term career advancement.

Submission deadline: December 1st of each year

Please fill out the application form for the Research Fellowship and send it with the required documents by e-mail as 1 PDF to:

Dr. Sabine Harlander
E-Mail: sabine.harlander@uzh.ch
Tel.: 044 634 48 13
